DETAILED ACTION

Election/Restrictions

The election requirement has been withdrawn.

Claim Rejections - 35 USC § 112

Claims 9-20,35-46 are rejected under 35 U.S.C. 112, first paragraph, because the specification, while being enabling for an shared executable hosted electronic procurement system , does not reasonably provide enablement for other electronic systems. The specification does not enable any person skilled in the art to which it pertains, or with which it is most nearly connected, to make the invention commensurate in scope with these claims.

Claim Rejections - 35 USC § 112

Claims 9-20 and 35-46 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In the claims, the structure and limits to the preamble are unclear. Clarification is requested.

In the claims a “parameter bases mapper” is indefinite in scope. Clarification is requested.

This Office action has an attached requirement for information under 37 CFR 1.105. A complete reply to this Office action must include a complete reply to the attached requirement for information.
